

### **ACSEP Indigenous Scholarship (Māori) Conference 2020**

The Australasian College of Sport and Exercise Physicians (ACSEP) is proud to offer Māori medical students and junior doctors the opportunity to attend the ACSEP Annual Conference. This opportunity has been designed to enhance the recipient's career and their interest in Sport and Exercise Medicine.

The Award aims to provide those considering a career in Sport and Exercise Medicine with the opportunity to participate in the full program that the Annual Conference offers, with world leaders in Sport and Exercise Medicine. The recipients will have the opportunity to network with members of the College and to gain a better understanding of the specialisation of Sport and Exercise Medicine.

The Award recipient will receive registration to the ACSEP 2020 Conference free of charge (Registrar and/or Scientific Conference, meals during the conference, Welcome Function, Gala Dinner and participation in the activities day). This Award is valued at \$2,000. Any travel and/or accommodation required to attend will need to be arranged for by the recipient at their own expense.

Following attendance at the conference, the recipient will be required to provide a short post conference report to ACSEP within 4 weeks of the final day of the conference. The report may be used in promotional material by ACSEP.

Applicants are required to complete and email the application form to [nationaloffice@acsep.org.au](mailto:nationaloffice@acsep.org.au). The Award recipient will be selected by the ACSEP National Office and the decision will be final. Applicants will be advised via email of the outcome of the selection. ACSEP reserves the right to only offer this Award if a suitable recipient applies.

Applications for the Award will close at 5.00pm (AEDT), Monday 23 December 2019.
