The Award aims to provide those considering a career in Sport and Exercise Medicine with the opportunity to participate in the full program that the Annual Conference offers, alongside world leaders in Sport and Exercise Medicine. The recipients will have the opportunity to network with members of the College and to gain a better understanding of the specialisation of Sport and Exercise Medicine.

The Award is valued at \$2,000 for registration to the ACSEP 2021 Conference and covers:

- the Registrar and/or Scientific Conference and meals during the conference,
- welcome function
- Gala Dinner

- travel and accommodation

Any expenses beyond the \$2000 scholarship limit will need to be covered by the recipient.

Following attendance at the conference, the recipient will be required to provide a short post conference report to ACSEP within 4 weeks of the final day of the conference. The report may be used in promotional material by ACSEP.

Applicants are required to complete and email the application form to nationaloffice@acsep.org.au. The Award recipient will be selected by the ACSEP National Office and the decision will be final. Applicants will be advised via email of the outcome of selection. ACSEP reserves the right to only offer this Award if a suitable recipient applies.

In the event that travel restrictions prevent attendance due to COVID-19, the recipient may participate in the conference online. If the recipient chooses not to attend, the Award will be nullified.
