

ACSEP RESEARCH AWARDS

The ACSEP Research Awards are designed to recognise outstanding research in the field of Sport and Exercise Medicine by ACSEP Fellows and Registrars. Self-nominations may be completed under the relevant section below and submitted to conference@acsep.org.au no later than 10:00am AEDT, 28 August 2023. **When submitting nominations please include a PDF of the research.**

Full Research Awards criteria can be found [here](#)

Fellow Research Award

For the most outstanding peer-reviewed, published research paper by an active full ACSEP Fellow. The Fellow must be first author, the research must be relevant to the practice of Sport and Exercise Medicine, and must be accepted as an abstract for an oral or poster presentation at an International or Domestic Sport and Exercise Medicine Conference.

I, _____, wish to nominate the following research

Registrar Research Award

For the most outstanding peer-reviewed published research paper by an active ACSEP Registrar. The Registrar must be first author and the research must be relevant to the practice of Sport and Exercise Medicine. It will be a requirement of the award that the research is accepted as an abstract for an oral or poster presentation at an International or Domestic Sport and Exercise Medicine Conference.

I, _____, wish to nominate the following research
