

## P011 ACSEP Deferral Policy

### 1. PURPOSE

The ACSEP recognises there may be circumstances where an applicant who is offered a placement on the ACSEP Specialist Training Program may need to seek a deferral from commencing their training. This policy applies to all applicants offered a placement on the ACSEP Specialist Training Program prior to accepting the placement or commencing the Training Program.

### POLICY

### 2. DEFERRAL OF TRAINING

Deferral is defined as postponing commencement of the first year of the ACSEP Specialist Training Program. All applicants who have been accepted into the ACSEP Specialist Training Program and offered a first-year placement are eligible to apply for deferral. Deferral is usually for a period of 12 months as both the ASCEP Selection Process and Training Program commencement occurs once per calendar year. Applicants who choose to defer are not considered ACSEP registrars until they formally accept an offer and commence training.

### 3. APPLICATION

An application for Deferral by new Registrars requires completion of the form – AD011-Deferral from Training application. The applicant is required to submit the form with a Deferral fee of \$250 to National Office by the date indicated in the placement offer email. Applicants will be notified of the outcome of their deferral application by email.

- a. Fee exemptions: An applicant may request an exemption from the deferral fee if they can demonstrate undue hardship or other special circumstances. This request should be

addressed in writing to the ACSEP Chief Executive Officer, who will respond within 10 business days via email.

- b. Extension of deferral period: Those with exceptional circumstances may apply for an extension of their deferral period. Requests for extension must be received by National Office before 1<sup>st</sup> July each year. These applications will be assessed by the Training Committee and a response will be provided within 10 business days via email.
- c. Applicants who have their request for deferral approved are required to inform National Office by 31st July the following year of their plan to commence training the following year.
- d. Applicants will re-enter the ACSEP Selection Process, retaining their designated score for the ranking process.
- e. Applicants should note that the selection process is merit based, and participation in a subsequent year's selection process does not guarantee a placement offer.

Placement offers vary each year depending on availability of number of placements. If an applicant wants to attempt to improve their CV or Interview scores to improve their ranking they can apply to re-interview and re-submit an updated CV at the prescribed fees.
